

Notes From Dee

March 28, 2018

Hi Everyone,

Today was a very busy day even though our Spring Break is upon us! The students accomplished quite a bit in all their academic classes, but also had a visitor, Kevin Buynie, a volunteer eagle watcher from the Mercer Wildlife Center and the New Jersey Eagle Project.

Mr. Buynie taught us all about the bald eagles who live on our campus! Did you know that eagles have about 7,000 feathers? The children were amazed and had so many questions. Be sure to ask them what they learned about our esteemed feathered neighbors.

Some reminders:

We all will be back in class on April 9. Please be sure to send appropriate clothing for your children to wear during recess. The ground is quite muddy as the snow melts, so older shoes or boots will be a must as we go forward, with clean shoes for wearing in school.

I wish you all a very Happy Easter and Happy Passover. For those of you who are traveling during our break, we hope you travel safely. We look forward to seeing all of the students after a well deserved vacation, when they will share their family adventures and fun!

See you in April!

Dee
