

Notes From Dee  
June 21, 2018

Dear Laurel Families,

I hope you have all begun to relax and enjoy the warm and slower paced days. I wanted to take a moment to share some exciting news! We are expanding our school space to include the first floor and lower level of Building 1 on our campus. This additional space will house our 6th through 8th grade student homerooms and will allow us to have dedicated space for Art, Music and Theater classes. We will also now have a spacious Community Room that will allow our students to have lunch together and gather for full school activities. This is a wonderful opportunity for us to continue to grow so that our students have optimum learning experiences.

If you have not already received our End of Year Annual Fund letter, please know that we are hoping you will consider making a donation to Laurel School as the academic year comes to a close. We all are aware that tuition does not cover the gap between revenue and actual expenses in an Independent School. Your donations mean so much toward helping us provide the excellent learning opportunities that have enabled your children to grow academically, creatively and socially. We hope you will donate to Laurel as you think about the amazing academic progress and talents your children have shown this past year.

Finally, Gordon and I wanted to say a heartfelt thank you to all of you. We were so touched by all the thoughtful gifts and cards you sent to us after Closing Ceremonies. It continues to be such an honor to see your children every day. Every student at Laurel, in his or her own way, creates such beauty, spirit and laughter in our lives. We are so thankful and blessed to be part of it all.

Enjoy the days of summer!

Dee

P.S. You can make a donation through our secure online form at:
