

THE LAUREL SCHOOL
of Princeton

After School Programs 2018-2019

FALL SESSION

The Laurel School after school programs have something for everyone! Combining enrichment with recreation and engaging activities, each 8-week session will provide students with opportunities to have fun while learning new skills. *A minimum of 2 students per 8-week session is required for a class to be offered.*

All sessions run from 3:15-5:00pm*. Please pack an extra snack for your child and be sure they have warm clothing for outdoor activities.

MONDAYS

STUDIO ART

"Paints, Clay and Disney, Oh My!"

Calling all artists! Do you like molding, carving and sculpting with clay? How about painting book characters and animals? If so, this After-school Art Program is for you! Express your creativity and imagination as you experiment with different art mediums, including acrylic paints, watercolors, clay, markers, crayons and more! Have fun, get messy and make new friends! Join our engaging, activity-oriented program for this session's exciting theme: Art of Disney-Pixar!

Teacher: Eleanor Evans
Dates: Oct. 1, 15, 22, 29, Nov. 5, 12, 19, 26
Cost: \$400

TUESDAYS

FUN, FITNESS, SPORTS

Put your sneakers on and let's get moving! Be part of The Laurel School's first cross-country team. No experience necessary. We will enjoy the fall weather and see if we can improve our running (or walking) times. Let's hear it for the Laurel Lynx!

Teacher Logan Rogers
Dates: Oct. 2, 9, 16, 23, 30, Nov. 6, 13, 20
Cost: \$300

WEDNESDAYS

MUSICAL THEATER

Music class and theater class are awesome each week and in this after school program we will be combining them! Calling singers, actors, and stage crew people! We will be staging scenes from musicals which will have opportunities for solo singing and ensemble singing. Not interested in singing? We will have speaking roles too! For people that want to be involved, but would rather be behind the scenes, we will use you to be our stage crew! Scenes will be determined after we see who signs up! This will be a very exciting afternoon and a great way to showcase your talents outside of the classroom!

Teacher: Hope Osborn
Dates: Oct. 3, 10, 17, Nov. 7, 14, 28, Dec. 5, 12
Cost: \$300

THURSDAYS

GO GREEN-STEMs!

What's a Laurel Green-STEM Thursday? It's an after school activity session focused on Science, Technology, Engineering, and Math (STEM), with a special focus on environmental awareness- that's where the Green comes in! Each week, we will do fun activities involving STEM concepts. We will also identify ways to help our environment through upcycling, recycling, gardening or community projects. Week one will feature "slime making"- do you have a favorite slime recipe? Bring it in! We can test out different methods, and make our perfect Laurel School Slime recipe. The group will research and choose the activities (those cool experiments we see on YouTube!) they most want to do in the subsequent weeks.

Teacher: Lorraine McKay
Dates: Oct. 4, 11, 18, Nov. 1, 8, 15, 29, Dec. 6
Cost: \$400

FRIDAYS

HOMEWORK HELP (No minimum)

Want to review material you learned this week or get a head start on next week? Join Miss Dee for a cup of tea and a quiet place to get some work done before heading into the weekend.

Teacher: Dee Rosenberg
Dates: Oct. 5, 12, 19, 26, Nov. 2, 9, 16, 30
Cost: \$210
