

THE LAUREL SCHOOL
of Princeton

After School Programs 2018-2019

WINTER SESSION

The Laurel School after school programs have something for everyone! Combining enrichment with recreation and engaging activities, each 8-week session will provide students with opportunities to have fun while learning new skills. *A minimum of 3 students per 8-week session is required for a class to be offered.* All sessions run from **3:15-5:00pm***. Please pack an extra snack for your child and be sure they have warm clothing for outdoor activities.

MONDAYS

ART EXPLORATION

Join this activity-oriented after-school program designed for all levels to encourage and develop the natural talent and knack for drawing! Let's explore the wondrous fields of Illustration with engaging concentrations, including Scientific Illustration, Portraits, Book Illustration, Sculpture, and more! Be inspired by the works of remarkable artists from around the world and create your own original artwork through the use of mixed media, including clay, watercolors, soft pastels, acrylic paint and other exciting mediums!

Teacher: **Eleanor Evans**
Dates: Jan. 7, 14, 28, Feb. 4, 11, 25, Mar. 4, 11, 18
Cost: \$300

TUESDAYS

CRYSTAL CREATIONS AND FROM TRASH TO TREASURE

What do rock candy, instant hand warmers, egg geodes, and borax suncatchers have in common? They are based on growing CRYSTALS! Join us for an adventure of creating useful and decorative items based on crystals. While we wait for our crystals to grow (a good crystal takes patience) we will find creative upcycling crafts to help reduce waste entering landfills. From trash to treasure!

Teacher: **Dr. Lorraine McKay**
Dates: Jan. 8, 15, 22, 29, Feb. 5, 12, 19, 26
Cost: \$350

WEDNESDAYS

VOICE CLASS WITH MISS HOPE

We will be practicing our vocals while learning individual solos and group songs! The class will learn the basics of breathing, solfege, harmony and ear training, all while learning a few songs. Students can choose from any genre of music for their solos and once we have everyone signed up, Miss Hope will choose the group songs. This is perfect practice for our spring musical!

Teacher: **Hope Osborn**
Dates: Jan. 9, 16, 23, 30, Feb. 6, 13, 20, 27
Cost: \$300

THURSDAYS

Teacher: **Logan Rogers**
Dates: Jan. 10, 17, 24, 31, Feb. 7, 14, 21, 28
Cost: \$450 (additional parts may be available for an additional cost)

REMOTE CONTROLLED CARS (for 6th-8th graders)

Welcome to the Remote Controlled Cars (RC) ASP! During these 8 weeks, we will each be building our own a fully functional RC car (from scratch) using a Tamiya car kit. Everyone will get to paint the shell of their car in their own creative way. After the cars are built and functional we will be constructing race tracks and having competitions to see who is the fastest. Vroom Vroom!
