

Notes from Dee
November 1, 2018

Dear Laurel Families,

What a beautiful day we had yesterday! The weather was perfect and the children had so much fun, excitement, and creative activities to share. Thanks so much to Karen Schoenfeld and her team of parents and grandparents who donated their time and energy to making this all happen! The costumes, the haunted hallway and the trunk or treat, with goats in tow, are etched in my mind and make me smile as I am writing this to all of you! I especially enjoyed the loving spirit in which all the children participated in the activities, sharing with their friends, helping their peers accomplish the activities, and just having a great time. [Click here](#) to see a few fun moments captured yesterday. If you have photos to share, please send them our way!

Thanks to our teachers and staff who helped us make this a smooth and wonderful day. Your costumes and Halloween spirit cannot be matched! The love you all brought to Laurel shows exactly what Laurel School is all about. I could not have been prouder to be part of it all!

It is hard to believe it is already November. I look forward to our next family celebration - our Thanksgiving Feast! Evite to follow.

Have a great Thursday.

Dee

P.S. Keep an eye out in your inbox for the link to parent-teacher conference sign-ups coming out later today.
